THRU: Wayne Hedberg, Permit Supervisor *WH*

FROM: Tom Munson, Senior Reclamation Hydrologist *TM*

SUBJECT: Request for Approval of Transfer of Notice of Intention, from Larry Dutson to Rocanville Stone, Red Gulch Quarry, S/027/098, Millard County, Utah

On August 4, 2003, the Division received a Transfer of Notice of Intention of Small Mining Operations, to transfer the Red Gulch Quarry from Larry Dutson to Rocanville Stone. There was not a map showing the area to be transferred. On August 25, 2003, we received the map.

Rocanville Stone has another project site within close proximity to this site. Upon acquiring this permit, this may place Rocanville Stone very close to a large mine status when combined with expansion plans that are already in the works. Therefore, Mr. Hamilton has informed me that Rocanville Stone will be submitting a large mining notice in the very near future.

We are now prepared to accept the small mine transfer form. If you are in agreement with the acceptance of the transfer of this small mining project, please sign and date the Notice of Transfer. We will then prepare a letter releasing Larry Dutson, the former operator, from any further reclamation responsibility at the site. Thank you for your consideration of this request.
